### **SYNERGETICS WINS PINNACLE CLUB AWARD FROM ENTERASYS**

Starkville, Miss.—Synergetics received the Pinnacle Club Award from Enterasys Network, Inc. at the 2013 North America Partner Conference that was held in Ft. Myers, Fla. in October.

The Pinnacle Club is a reward program that provides incentives to partners who excel at growing Enterasys business. Top partners who succeed in overall achievement are named to the club every six months.

Synergetics was recognized as a partner with exceptional scores on key performance measures such as: revenue, company logo, partner-initiated closed business, partner-initiated pipeline of business, certifications and marketing development. This is Synergetics first year as a member and it is honored to be recognized as an inaugural winner.

Attached is a picture of Synergetics' President Jim Raines receiving the Pinnacle Club Award. From left to right, John Fabiaschi, Vice President of North American Sales; Charlie Van Pelt, Director of North American Channel Accounts; Jim Raines, Synergetics' president and CTO; and Chris Crowell, Enterasys' CEO.

"We are pleased to have Synergetics as a Pinnacle Club award winner. Enterasys, now part of Extreme Networks, is committed to supporting Partners who work to reach shared objectives that drive mutual revenue growth," Director of North America Channels, Charlie Van Pelt said. "Congratulations, to the entire Synergetics team!"

Synergetics DCS, Inc. is a full service information technology consulting firm that offers turn-key solutions to help customers save time and money. Based in Starkville, Miss., Synergetics works with small to large businesses, K-12 and higher educational learning institutions to provide enhanced educational resources, network infrastructure, installation, IP telephony, security, cabling, data, wireless, and integration support.
